## Principal's Report

### Welcome to 2022

I would like to extend a welcome to all families returning to Canterbury Girls' Secondary College and to those families who are joining the College for the first time.

I would like to welcome new staff to the College. The new staff are Kathleen McLauchlan (Science), Lexie Pavlidis (PE), and Georgie Brinkworth (Mental Health Practitioner).

A number of staff finished at the end of last year, retiring or taking up positions at other schools. They are Jill Ito, Magali Bellavia, Natalie Leong, Erin Mahar and Matt Nolan. We wish them all the best for their future endeavours.

### VCE results 2021

The VCE newsletter was emailed detailing the outstanding VCE results from last year. I am very pleased to be able to congratulate the College DUX for 2021, Leonie Lac. We will have an opportunity to publicly acknowledge Leonie as DUX at Canterbury Celebrates at the end of the year. The updated VCE newsletter is available on the website.

### School Council elections

Nominations for School Council open at 9.00am on Monday 7 February 2022. There is information in the newsletter about the role of School Council and detailed information about the call for nominations. There are four parent member vacancies. Nomination forms will be emailed to all parents on Monday morning.

### Activities Term 1

For parents who are new to the College, the major student events this term are House Chorals which are held in the last week of Term 1, and the House Swimming Sports which are on Monday 28 February. I would encourage all students to participate in the Chorals Festival which runs through the whole term. All students are expected to attend the swimming sports and to participate either by being in an event or by supporting their House. There will be further information about whether parents can attend. We are hoping to be able to have an audience at Chorals and will wait to see what the latest information is in relation to COVID restrictions. Further information will be available later this term.

### Positive behaviour

Our school community has demonstrated incredible solidarity and resilience throughout the COVID-19 pandemic. Being back in classrooms with extra health and safety measures is another big transition, but it's the very best one for our children's education. As we navigate these changes to onsite learning, including required mask wearing for some students, it's more important than ever that adults in our school community treat each other with respect and kindness.

The Department of Education and Training has released a [new policy](#) that describes the positive behaviour expected from parents, carers, and other adults in Victorian school communities. The policy sets clear standards of behaviour to create a safe, respectful, and inclusive learning environment for students, staff, and adults.

There are also other resources to support safe and respectful relationships in our school community, advice on how to raise a concern or complaint, and parenting

support resources. You can find the new policy and these resources [here](#).

You may also see a [new poster](#) up around our school, promoting positive behaviour.

## Road safety

A reminder to families – please do not stop in the middle of the road to drop your child off. It banks up traffic but also can be unsafe if students are getting out of the car in the middle of the road. Parents are also requested to follow parking restrictions around the school and not to park in or across neighbours' driveways. Your support is much appreciated.

I look forward to a great 2022 as we navigate our way through an ever-changing landscape. I am confident that our school community will work together to ensure a positive experience this year.

Principal

## School Council elections

*What is a school council and what does it do?*

All government schools in Victoria have a school council. They are legally formed bodies that are given powers to set the key directions of a school within centrally provided guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

*Who is on the school council?*

There are four possible categories of membership:

- A mandated elected Parent category. More than one third of the total members must be from this category. Department of Education and Training (DET) employees can be Parent members at their child's school as long as they are not employed at the school.
- A mandated elected DET employee category. Members of this category may make up no more than one third of the total membership of school council. The principal of the school is automatically one of these members.
- A mandated elected student category.
- An optional Community member category. Its members are appointed by a decision of the council because of their special skills, interests or experiences. DET employees are not eligible to be Community members. The term of office for all members is two years. Half the members must retire each year, creating vacancies for the annual school council elections.

*Why is Parent membership so important?*

Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school. Those parents who become active on a school council find their involvement satisfying in itself and may also find that their children feel a greater sense of belonging.

*How can you become involved?*

The most obvious way is to vote in the elections, which are held in Term 1 each year. However, ballots are only held if more people nominate as candidates than there are positions vacant. In view of this, you might seriously consider

- standing for election as a member of the school council
- encouraging another person to stand for election.

*Do I need special experience to be on school council?*

No. What you do need is an interest in your child's school and the desire to work in partnership with others to help shape the school's future.

*What do you need to do to stand for election?*

The principal will issue a notice and call for nominations following the commencement of Term 1 each year. All school council elections must be completed by the end of March. If you decide to stand for election, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent category. DET employees whose child is enrolled in a school in which they are not employed are eligible to nominate as parents for the school council where their child is enrolled. Once the nomination form is completed, return it to the principal within the time stated on the notice of election. You will receive a Nomination Form Receipt in the mail following the receipt of your completed nomination. If there are more nominations received than there are vacancies on council, a ballot will be conducted during the two weeks after the call for nominations has closed.

## Assistant Principal's Report

### Welcome Back

Welcome back to all students. A special welcome to Year 7 students and all new students to the College. I am looking forward to getting to know you. I hope you all had a wonderful break and are feeling excited about the new school year ahead.

### Year 7 Information Night, including Notebook distribution

Parents/guardians are reminded that we will be holding an information night, including Notebook distribution, for Year 7 students and families on Wednesday 9 February at 7pm in Mc Millan Hall.

It is important that both Year 7 students and their parents/guardians attend this event. School processes will be explained, including guidelines for the school Notebooks. Notebooks will not be distributed to students unless they attend this information night.

At the conclusion of the information session, Notebooks will be distributed to parents/guardians who finalised payment last year. Families who have not paid for the Notebook can still do so by contacting the supplier LWT.

It is recommended that all students and families attend the information night irrespective of whether they will be collecting Notebooks on this night. We will provide further details about the format of the evening to accommodate Covid protocols.

### Secondary School Vaccination program

The Secondary School Vaccine Program offers free vaccines to Year 7 and 10 students. These vaccines provide protection against:

- Diphtheria, tetanus and pertussis (whooping cough) – one dose for Year 7 students
- Human Papillomavirus (HPV) – two doses for Year 7 students
- Meningococcal A, C, W, Y – one dose for Year 10 students

Soon we will receive the vaccine consent cards that need to be completed and returned regardless of whether your child is being vaccinated at school.

The Boroondara City Council immunisation service may contact you about the Secondary School Vaccine Program. Schools are authorised to provide basic parent/guardian contact details to local councils for this purpose. Contact me by 25 February if you do not want your contact details given to the immunisation service.

## Middle School Report

### Year 7

Our brand-new Year 7 students were fortunate enough to attend an Orientation Day last year to help prepare them for life at Canterbury Girls' Secondary College. On Tuesday, these same students arrived excited and nervous and officially joined our school. As the students arrived, parents/guardians gathered to take photos and give their child one last hug to send them off to embrace a whole new chapter in their lives.

The anticipation of the first day at secondary school cannot be underestimated. Purchasing the uniform, school shoes, Canterbury bag, textbooks, laptop, signing camp forms and completing a range of other requirements is necessary to take this next big milestone in a young person's life. The photos taken on that first day are an attempt to lock this special day in a time capsule forever. We truly hope that every Year 7 embraces every opportunity that our wonderful school offers. The upcoming Year 7 Camp will provide exciting experiences for students to build new friendships with fellow students and staff who supervise the range of activities on offer.

### Year 8 & 9

Our Year 8 & 9 students started on Wednesday and also arrived very excited about what 2022 will bring. Fresh hope, new experiences, camps and excursions, exciting sporting activities, House competitions including Chorals and Dance Drama. We strongly encourage all students to participate as much as possible to learn new skills and grow into mature young adults. Please contact the relevant Year Level Coordinator or myself if you have information that will assist us in educating your child. We are looking forward to an eventful year full of fun, hard work and wonderful student achievements to celebrate as a community of lifelong learners! A reminder to please check dress lengths as many of our students have grown significantly over the summer break.

## Teaching and Learning News

### Japanese Extension Program

The Japanese department at Canterbury Girls' Secondary College runs an after-school program for students wishing to extend themselves as well as for students who feel like they need some help "catching up" in Semester 1. These classes are run by current Year 12 students (overseen by Japanese teachers) giving junior and senior students an opportunity to work together. Students enrolled in the program take part in a range of classes aimed at increasing their skills in speaking, writing, listening and grammar.

Learning a language is academically challenging but very rewarding. CGSC encourages students to take advantage of these classes, especially if they are considering studying Japanese in Years 11 and 12. VCE Japanese study scores are "scaled up", making it an excellent choice for students wishing to achieve a high ATAR score. Research suggests that learning a language can also help students perform well in other subjects such as English and mathematics.

Previously, different Japanese extension classes have run catering for students from beginners to Year 11. We invite expressions of interest for this year's program so a timetable may be put in place. The classes will run on Monday and Thursday afternoons from 3:15pm to 4:00 pm. We hope to begin the program in Week 5, Term 1.

Any questions about this program should be directed to the Japanese Extension Program coordinator Ms Alex Andrianopoulos at the following address: [aad@cgsc.vic.edu.au](mailto:aad@cgsc.vic.edu.au).

If you are interested in taking part in this program, please complete the expression of interest form on Compass, including your preferred day. Please note that places will be filled on the basis of expression of interest. The cost of the program will be determined once the number of classes has been finalised.

**Alexandra Andrianopoulos**  
Japanese Extension Coordinator

### Community Liaison

My name is Emma Slade and I am your Community Liaison Captain this year. We welcome all students to get involved in the Community Liaison team this year as a form captain (Years 7-9) or year level representative (Years 10-12).

On Friday 11 March, we will have our annual International Women's Day Breakfast. This year the event will look a little different as it will be "in-house", exclusively open to CGSC students and staff who will have the opportunity to come together for a light breakfast and to hear from a guest speaker. We would welcome any donations of either goods or vouchers that can be used as door prizes or in a raffle, so please feel free to contact us if you feel you can help in any way.

International Women's Day (IWD) is a wonderful opportunity to celebrate women's achievements and this year the theme is "Break the bias". If you would like to know more about IWD, here is a link: <https://www.internationalwomensday.com/2022Theme>

Tickets will be available soon from TryBooking, so stay tuned!  
We look forward to seeing you there!

### **French Extension Program**

At CGSC, we run an afterschool French Extension Program to both support and extend students in their study of French. The program allows students to work on verbs, grammar, reading, listening, speaking and advanced activities. French Extension is a supportive and fun way to increase confidence in learning French and to develop effective language learning strategies.

There is a small cost to attend these classes which are run by senior students who enjoy sharing their knowledge of the French language and culture.

For Term 1, classes will begin in Week 5 and it will be a four-week course (weeks 5,6,7,8). Classes will run afterschool on Tuesdays and Thursdays only and students will select the day they wish to attend.

Any student from Year 7 to 12 is welcome to join the program and is invited to fill in the enrolment form at <https://forms.office.com/r/R2G905DuRb>

**The closing date for enrolments is Friday 11 February.**

Please feel free to contact Madame Bert at [gbe@cgsc.vic.edu.au](mailto:gbe@cgsc.vic.edu.au) for any further information about the French Extension Program.

### **Humanities News**

My name is Arnavi Roy and I am very excited to be your 2022 Humanities Curriculum Captain. As a humanities enthusiast, I can't wait to share amazing humanities activities with everyone, and make wonderful memories. I decided to run for this leadership position because I have loved these subjects since the start of my high school journey and will continue to do so, as I will be completing 3 humanities subject this year (Legal Studies, Economics and Business Management). I truly believe that humanities is a very important aspect of our lives and that everyone would benefit from learning about this fascinating area of study. This is where the humanities faculty and I come in.

This year during Humanities Week, we will have various fun activities running that all involve humanities. Hopefully by the end of this exciting first week of school, many of you would have had a great time, made new memories, and maybe even learnt something new.

As some of you may not know me, here are some fun facts about me:

- I have been at CGSC since Year 8 (before this I used to attend a primary school)

in Adelaide)

- I absolutely love reading (particularly thrillers)
- I am not a 'sporty' person, but I do play badminton (and am decent at it)!

So that's it from me. Feel free to drop by the Humanities Office (C40) and say hi to the amazing Humanities staff or me!

## Sport Report

Welcome back everyone – I am sure that our students will grab every opportunity available this year for sport competitions, house activities and fun having missed many opportunities in 2021!

### INTERSCHOOL SPORT @CGSC

To participate in Interschool Sport teams all information is found on the newsfeeds. It is important that students firstly sign-up via insights on compass, then attend meetings and selections (where necessary) to be considered to represent the school at these events.

### Boroondara Division includes Balwyn High, Kew High, Camberwell High and Doncaster Secondary College.

Participating in both Interschool Sports and House Sport activities at lunchtimes is an easy opportunity for students to meet other peers and a great way to get involved in all aspects of school life, show some school spirit and experience the benefits of team sports.

**Please note: Changing COVID rules may mean we are unable to have any parents/guardians/spectators at this year's House Swimming Carnival. We will ensure details of the event and pictures will be posted through the newsletter.**

The Volleyball program which runs all year kickstarts soon. Keep an eye out in school newsfeed for information and details regarding trainings and selections.

Should you have any queries, please contact me at [cla@cgsc.vic.edu.au](mailto:cla@cgsc.vic.edu.au).

## Instrumental Music Enrolments for 2022

Welcome back to all students.

The enrolment process will continue to be conducted through Compass Events.

- The events have been rolled over from 2021
- Parents/guardians will need to provide consent and pay via Compass Events before lessons can commence. (Eg. 'Instrumental music – Clarinet / Saxophone Lessons 2021', 'Instrumental music – Brass Lessons 2021' etc.)
- If you are no longer wanting to learn your instrument or play in your ensembles, you can 'opt out' by emailing myself at [msw@cgsc.vic.edu.au](mailto:maw@cgsc.vic.edu.au)

The instrumental music events are now up on Compass and emails have been sent to notify you when payment and consent can be made.

Canterbury Girls'  
SECONDARY COLLEGE

Hi everyone,

Welcome to the 2022 school year. I hope everyone had a restful and enjoyable break over the summer holiday period.

As we have witnessed over the last two years, the new "COVID normal" will see conditions under which we all live and operate potentially change at a moment's notice. For that reason, the PA will plan events to the best of its ability on a term-by-term basis. Fundraising and social events will be advertised on Compass and the newsletter.

The PA meets on the third Tuesday of every month, with an AGM held at the start of each year. We are currently establishing when and how we will be able to meet at the start of this year, whilst ensuring we adhere to current government and department COVID Safe guidelines. We will share the confirmed date and details with you all once we have them – so watch this space! All are welcome and we would love to see you there!

Stay safe and take care.

**Toni Gross**  
**The Parents' Association President**

*P.S. If you would like to support the PA, but cannot donate your time or efforts, you can contribute via the PA levy. If you do not want to contribute the full amount of \$50, you can nominate a different value. PA funds help raise monies for resources that are not funded by the Government (i.e. language assistants, food tech ovens, dishwashers etc.) and every little bit helps!*

## Privacy Collection Notice Information for students, parents and carers

The Department of Education and Training (the Department) values your privacy and is committed to protecting the personal and health information that schools collect.

All school staff must comply with Victorian privacy law and the [Schools' Privacy Policy](#). This notice explains how the Department, including Victorian government schools (schools), handles personal and health information. On occasion, specific consent will be sought for the collection and use of information, for example, for a student to receive a health service. Our schools are also required by legislation, such as the *Education and Training Reform Act 2006*, to collect some of this information.

Throughout this notice, 'staff' includes principals, teachers, student support service officers, youth workers, social workers, nurses and any other allied health practitioners, and all other employees, contractors, volunteers and service providers of the school and the Department.

On enrolment, and during the ordinary course of a student's attendance at a school, schools will collect information about students and their families for the following purposes:

- educating students
- supporting students' social and emotional wellbeing, and health
- fulfilling legal obligations, including duty of care, anti-discrimination law and occupational health and safety law
- communicating and engaging with parents
- student administration
- school management
- supporting policy in relation to student education and wellbeing.

If this information is not collected, schools may be unable to provide optimal education or support to students or fulfil legal obligations.

For example, our schools rely on parents to provide **health information** about any medical condition or disability that their child has, medication their child may take while at school, any known allergies and contact details of their child's doctor. If parents do not provide all relevant health information, this may put their child's health at risk.

Our schools also require current, relevant information about all **parents and carers** so that schools can take account of safety concerns that affect their children. Parents should provide schools with copies of all current parenting plans and court orders about or that affect their children and provide updated copies when they change.

When parents enrol their child in primary school, they will be asked to provide personal and health information in several ways, including via the Enrolment Form, the [School Entrance Health Questionnaire](#) (SEHQ) and the [Early Childhood Intervention Service](#) (ECIS) Transition Form.

The **Enrolment Form** is used to collect information that is essential for the purposes listed above, and requests information such as:

- **Emergency contacts** – Individuals parents nominate for a school to contact during an emergency. Parents should ensure that their nominated emergency

contact agrees to their contact details being provided to the school and that they understand their details may be disclosed by the Department if lawful, e.g. in the case of emergency communications relating to bush fires or floods.

- **Student background information** – Information about country of birth, Aboriginal or Torres Strait Islander origin, language spoken at home and parent occupation. This information enables the Department to allocate appropriate resources to schools. The Department also uses this information to plan for future educational needs in Victoria and shares some information with the Commonwealth government to monitor, plan and allocate resources.
- **Immunisation status** – This assists schools to manage health risks and legal obligations. The Department may also provide this information to the Department of Health and Department of Families, Fairness and Housing to assess immunisation rates in Victoria, but not in a way which identifies students.
- **Visa status** – This is required to process a student's enrolment.

All schools may use departmental systems and online tools such as apps and other software to effectively collect and manage information about students and families for the purposes listed above.

When schools use these online tools, they take steps to ensure that student information is secure. If parents or carers have any concerns about the use of these online tools, please contact the school.

School staff will only share student and family information with other school staff who need to know to enable them to educate or support the student as described above. Information will only be shared outside the school (and outside the Department) as required or authorised by law, including where sharing is required to meet duty of care, anti-discrimination, occupational health and safety, and child wellbeing and safety obligations. The information collected will not be disclosed beyond the school and Department without parent consent unless such disclosure is lawful.

When a student transfers to another school (including Catholic, independent and interstate), personal and/or health information about that student may be transferred to the next school. Transferring this information is in the best interests of the student and assists the next school to provide the best possible education and support to the student. For further detail about how and what level of information is provided to the next school, refer to the: [Enrolment: Student transfers between schools](#).

Schools only provide school reports and ordinary school communications to students, parents, carers or others who have a legal right to that information. Requests for access to other student information or by others must be made by lodging a [Freedom of Information](#) (FOI) application.

To update student or family information, parents should contact their school.

For more information about how schools and the Department collect and manage personal and health information, or how to access personal and health information held by a school about you or your child, refer to the: [Schools' Privacy Policy](#).
