# Passport to Year 7 2023

Name:

Homegroup: 7

Dear Year 6 Student,

Welcome to Canterbury Girls' Secondary College.

In secondary school, it can take longer for teachers to get to know our students quickly because we do not teach you all day as your primary school teachers do. In order to help us understand you as a person more quickly and to know your strengths, we would like you to put together a passport of your thoughts.

This should be completed on the following pages. If you like, you can ask your parents to help you complete your passport.

The contents of this passport will be used by your teachers and your home group teacher to help them to get to know you.

Yours sincerely,

Your Year 7 Teachers
