## VALUES

Canterbury Girls' Secondary College's values are:

- A sense of belonging: We take pride at all times in our school and build a sense of belonging by fostering a strong sense of identity individually and collectively within classes, year levels, sub-schools, Houses and the whole school. We understand the importance of a strong co-curricular program that provides a breadth of opportunities for all students and we embed such programs in the school. We create a sense of belonging among staff and the school by fostering a collegiate working environment where ideas can be shared and staff developed in their own learning.
- Strong relationships: We actively build relationships between students, parents and staff to ensure a learning community that enables all students to succeed and that values the importance of hearing all voices. We accept and support the diversity and individuality of all members of the school community and all we do demonstrates this acceptance.
- Respect: We respect ourselves, our school and each another, and understand that our attitudes and behaviours have an impact on the people around us.
- Wellbeing: We know that there is a strong link between wellbeing, positive relationships and academic outcomes so that the wellbeing programs in the school are supported and resourced by the whole school and draw on internal and external experts to build student resilience and to support students.
- Love of learning: We develop teachers as passionate educators and students as passionate learners to foster and build an effective learning community.
